Jennifer K. Jordan welcomes interviews, and would be honored to speak at your event about her 14-year transformative journey gathering stories for *DADLY Wisdom*.

There isn't just one way to be a father.—DADLY Wisdom

What becomes a father most? Wisdom. With this in mind, author Jennifer K. Jordan set out to honor her late father by gathering insights from dads. *DADLY Wisdom* marks the culmination of her 14-year journey, featuring 52 of the 100 inspiring stories contributed by international dads. Join Jennifer on her quest to find fathers who represent humanity at its best.

PRAISE FOR *DADLY WISDOM*

*What do a congressman, golfer, coach, minister, educator, artist and Holocaust survivor have in common? According to Jennifer K. Jordan: Fatherhood. Rarely has the search for the heart of fatherhood been so deeply and richly explored as it is in Jordan's **DADLY Wisdom**.*

—Dr. William Younglove, California State University, Long Beach, Faculty

*I were packing a Time Capsule, **DADLY Wisdom** would be one of the first items I'd put into it. For if the world should almost end in fire or ice, it would be nice to show future generations the good that men were once capable of doing.*

—Midwest Book Review

Jennifer K. Jordan is a California-based author with a passion for celebrating the spiritual in our daily lives and educating others. She has worked extensively in the fields of teaching, counseling, writing and editing. Currently she is hard at work on her next book, which will focus on children's health.
